Let's put your buddy together!!

BRING IT!!

- **You must bring your Civics/English Binder to class every day. You will use the binder to manage both your civics work and your English work. Your binder will help keep you organized and prepared for tests and other activities in both classes.**

 - Tests

- Put 25 sheets of lined paper in the “Notes” section. Please keep adequate amounts of paper in your binder at all times.

I Love Notes!

- You must keep your binder organized. The order of notes will be written on the green board. Check the green board frequently to make sure that your note section is up to date and organized.
- I will collect and check the notes section of your binder at least once during each six-week grading period.
- You will be graded on organization and assignment completion.

Important Info.

- DON'T THROW ANYTHING AWAY FROM THE NOTES SECTION EVEN AFTER YOU ARE TOLD TO REMOVE THEM. YOU'LL NEED THEM TO REVIEW FOR TESTS AND LATER PAPERS.
