

VOLUNTEERING

Dear Breakfast Point Families

Throughout the 2009-2010 school year, volunteer participation is needed on many levels. On behalf of the PTO, teachers and staff, and most importantly our children, we ask you to contribute your time and talents whenever and wherever you can. Without your support, our school and its events will not be as successful as they could be with your involvement.

While our Book Fairs and Fall Festival are events to look forward to, we are in search of more event ideas and volunteers in which to help organize them. If you have a suggestion for a school wide function, or would be willing to serve on an event planning committee, please indicate below and return your form to your child's teacher by **Friday, September 4, 2009**.

We have other areas within the school where help is always appreciated. Some of this help is needed regularly, others on an as-needed basis, or perhaps on a specific day. Listed below are just a few ways in which you can contribute. Mark as many items as you wish, there is no limit to volunteering!

If you have more than one child attending BPA, please fill out a form for each child, particularly if you are interested in volunteering in more than one class or area. I will follow up with you as soon as possible. You are welcome to contact me any time during the school year with ideas, questions, or concerns. Many thanks for your help. We look forward to working with you this year.
