

Searching for reading program books

To start, select your reading program name.

If its **Accelerated Reader** or **Reading Counts!**, Type in your reading level.

Type in the number of points you want.

If you have a **Lexile Measure**, or range, type it in.

If you have a Lexile Code, select it from the list.

If you have a **Fountas & Pinnell** level, select it from the lists.

Tips:

You can include a reading program search when performing a Power search, too.

 [My Searches](#) keeps track of searches you've done. Just click one to do it again.

Then, type in a name or a topic in the **Find** box—or leave it empty.

Finally, click Keyword, Title, Author, Subject, or Series—whatever kind of word you typed in the **Find** box.
