NOTES

- *Double-space **all** lines.
 - *Indent the second and following lines 5 spaces.
 - *If no author is given, start with the title.
 - *Abbreviate the names of all months except May, June, and July.
 - *If the **encyclopedia** does *not* arrange its articles alphabetically, treat the encyclopedia article as if it were a **book article**.
 - ***Websites**: include the **title of the web page**, the **name of the entire web site**, the **organization that posted it** (this may be the same as the name of the website). Also include the full **date the page was created or last updated** (day, month, year if available) and the **date you looked at it**.
 - ***Internet Magazine Articles**: Include the **company that provides the database service** and its home webpage; the full **date of the article** (day, month, year if available) and the **date you looked at it**; as well as the library or other organization (and its location) that provided you with access to the service.
- The rules concerning a **title within a title** are *not* displayed here for purposes of clarity. See the printed version of the manual for details.
- For documents and situations not listed here, see the printed version of the manual.
