

My teachers are
special to me
because ...

(sign your name)

Dear Parents,

Since Valentine's Day is traditionally a day when we express our affection for the people we appreciate, we thought it would be nice if we gave our students the chance to let their teachers know why they are special to them.

If your child would like to share a thought with his or her teachers, please complete the other side and bring this back to the school with you to hang on our wall for the teachers to see. (There are extra blank slips in the locker rooms if you or another member of your family would also like to fill one out. 😊)

Best Regards,
Michelle Nelson and Laurie Wellman
