

The CFA School Year 2009-2010  
*In Their Own Words*

“CFA in 2010 was an amazing year. Chapel was moving for me. Coming to the school 5 years ago, God urged me to step forward to the altar, but I hesitated and argued with him. In 2009 God put obedience in my relationship with him. Revival came and flowed through me. (This year) I can see and feel peoples’ attitudes and perspective of life change. . .”  
Olivia Winningham, 7<sup>th</sup> grade

“When I first came to CFA I knew I was saved, but I didn’t feel I had a real relationship with God. Now that I am leaving I feel that I have a relationship with Him and a heart to serve Him. God has delivered me from struggles and showed me that He loves me and He forgives me no matter what I have done. Even though my high school career is over, God is still working in my life.”  
Chris Ritch, 12<sup>th</sup> grade

“I’m thankful for (Mrs. Morris). She has been a good teacher and prayed with me and lead me to God.”  
Kira Rhea, 5<sup>th</sup> grade

“So the reason I came to CFA (from another school) was to get away. I had the idea that all teachers were there to make some extra cash and fuss and tell me how bad of a student I was. Many teachers hated me, some even told me to my face that they hated me. I hated school. The first day of school and the first teacher I met was Mrs. Powell. She got excited when she was talking about science. I was like “This woman is a few pennies short of a dollar.”, but then I realized these teachers care and love me. Ever since then I have realized God has his hands on this school. I have learned so much simply because the teachers love what they do. THANK YOU CFA!!!”  
Adam Smith, 10<sup>th</sup> grade

“I was struggling with not feeling like God had really forgiven me and my struggles. I had heard that God had forgiven me and my sins. God has put people like Coach Gruver, Mr. Price and Courtney Snyder in my life to help me realize this.”  
Abbey Duggan, 12<sup>th</sup> grade

“This year being at CFA God has made me realize how precious life is and that we only have a small amount of time to share God’s word with people across the nation. I feel God is calling me to be a missionary. During chapel I see God working in many people and it really makes me want to spread God’s word with lots of other people.”  
Chloe Huffman, 8<sup>th</sup> grade

“This has been a year of hard times and struggles financially and spiritually. Through the school I have conquered hard times. An example would be when my dad got bladder cancer and could have died. I was very scared and frightened but through the school I was calmed by classmates and teachers. I just want to say thank you.”  
Josiah McGalliard, 8<sup>th</sup> grade

“This school has helped to mature my spiritual walk and draw me close to God. Mission trips through the school have helped me to be aware of the world around me and to react in a loving way. I was called into ministry (to be a pastor) at this school and have been trained to follow that.”  
Stephen Gruver, 12<sup>th</sup> grade

“CFA has taught me leadership skills that will last a lifetime. As a sophomore I was pulled out of my comfort zone and put into a leadership position. I used to be self-conscious and shy, but now I am comfortable being a leader.”  
Molly Morgan, 11<sup>th</sup> grade
