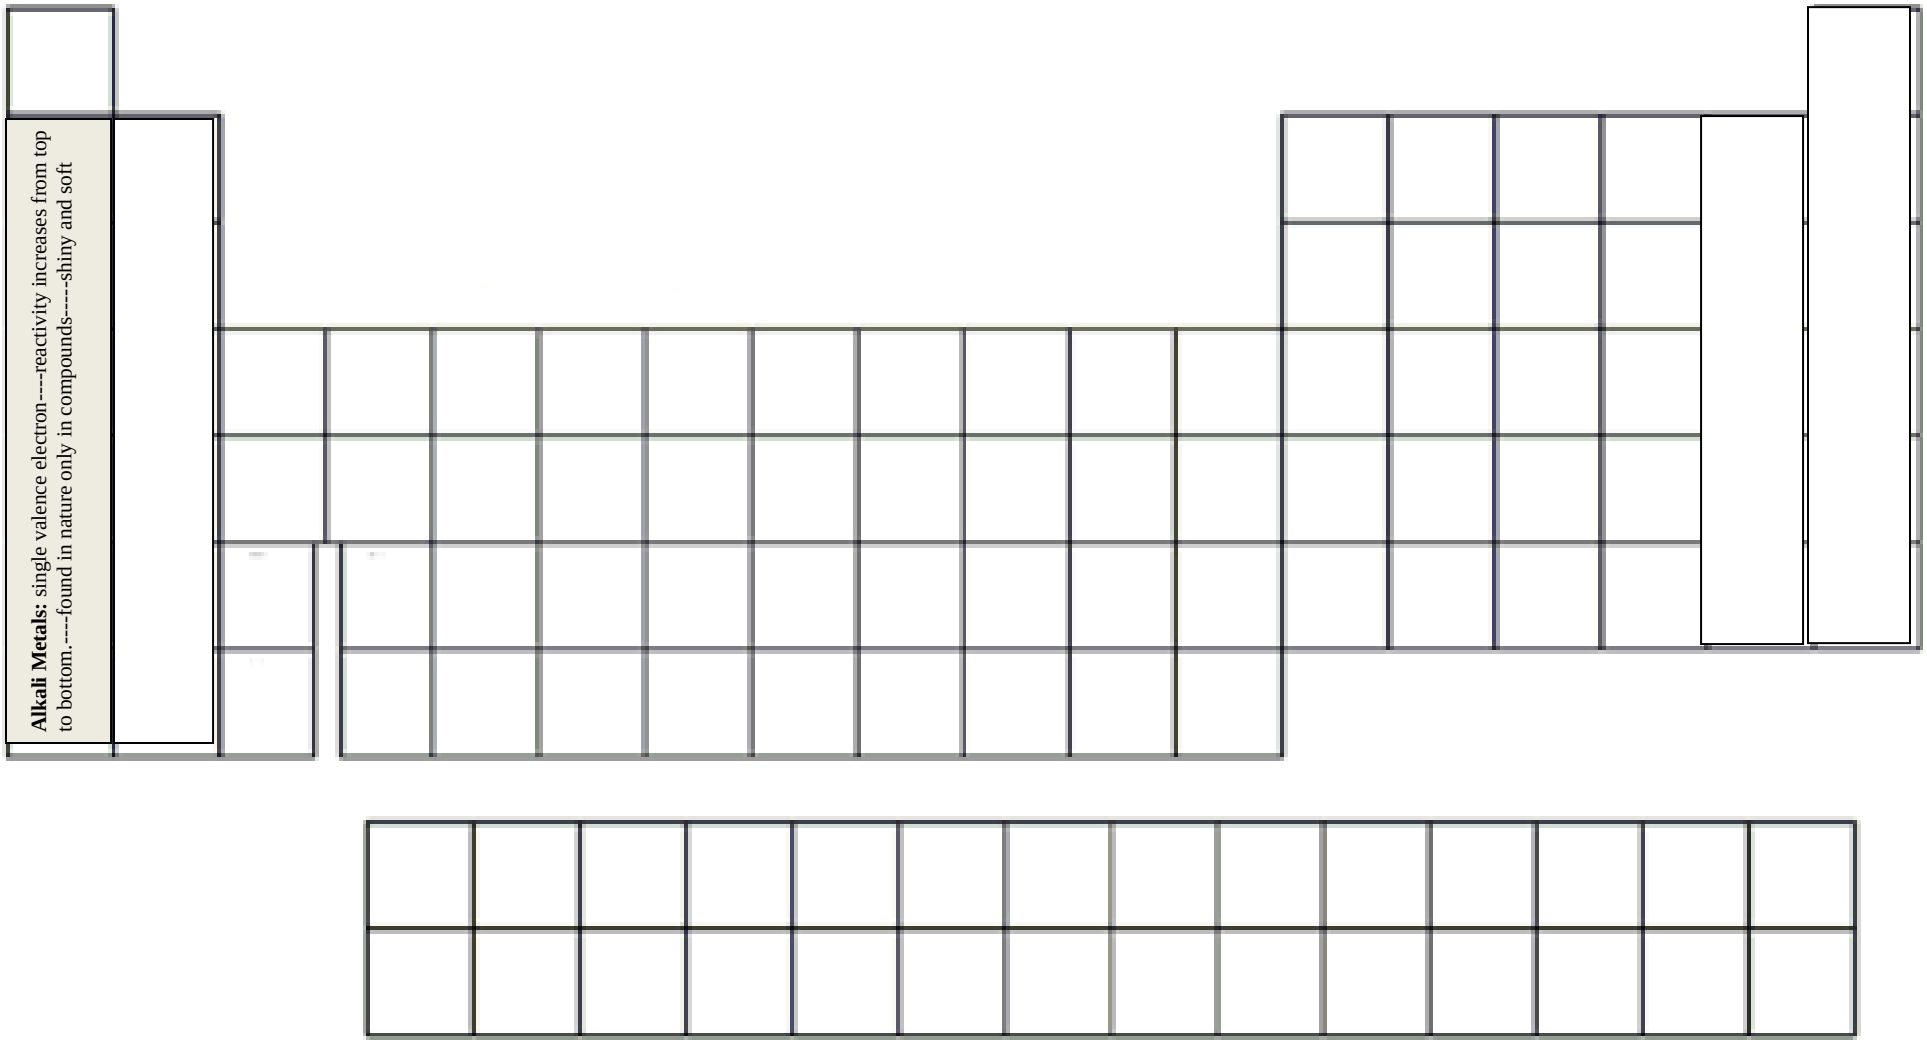
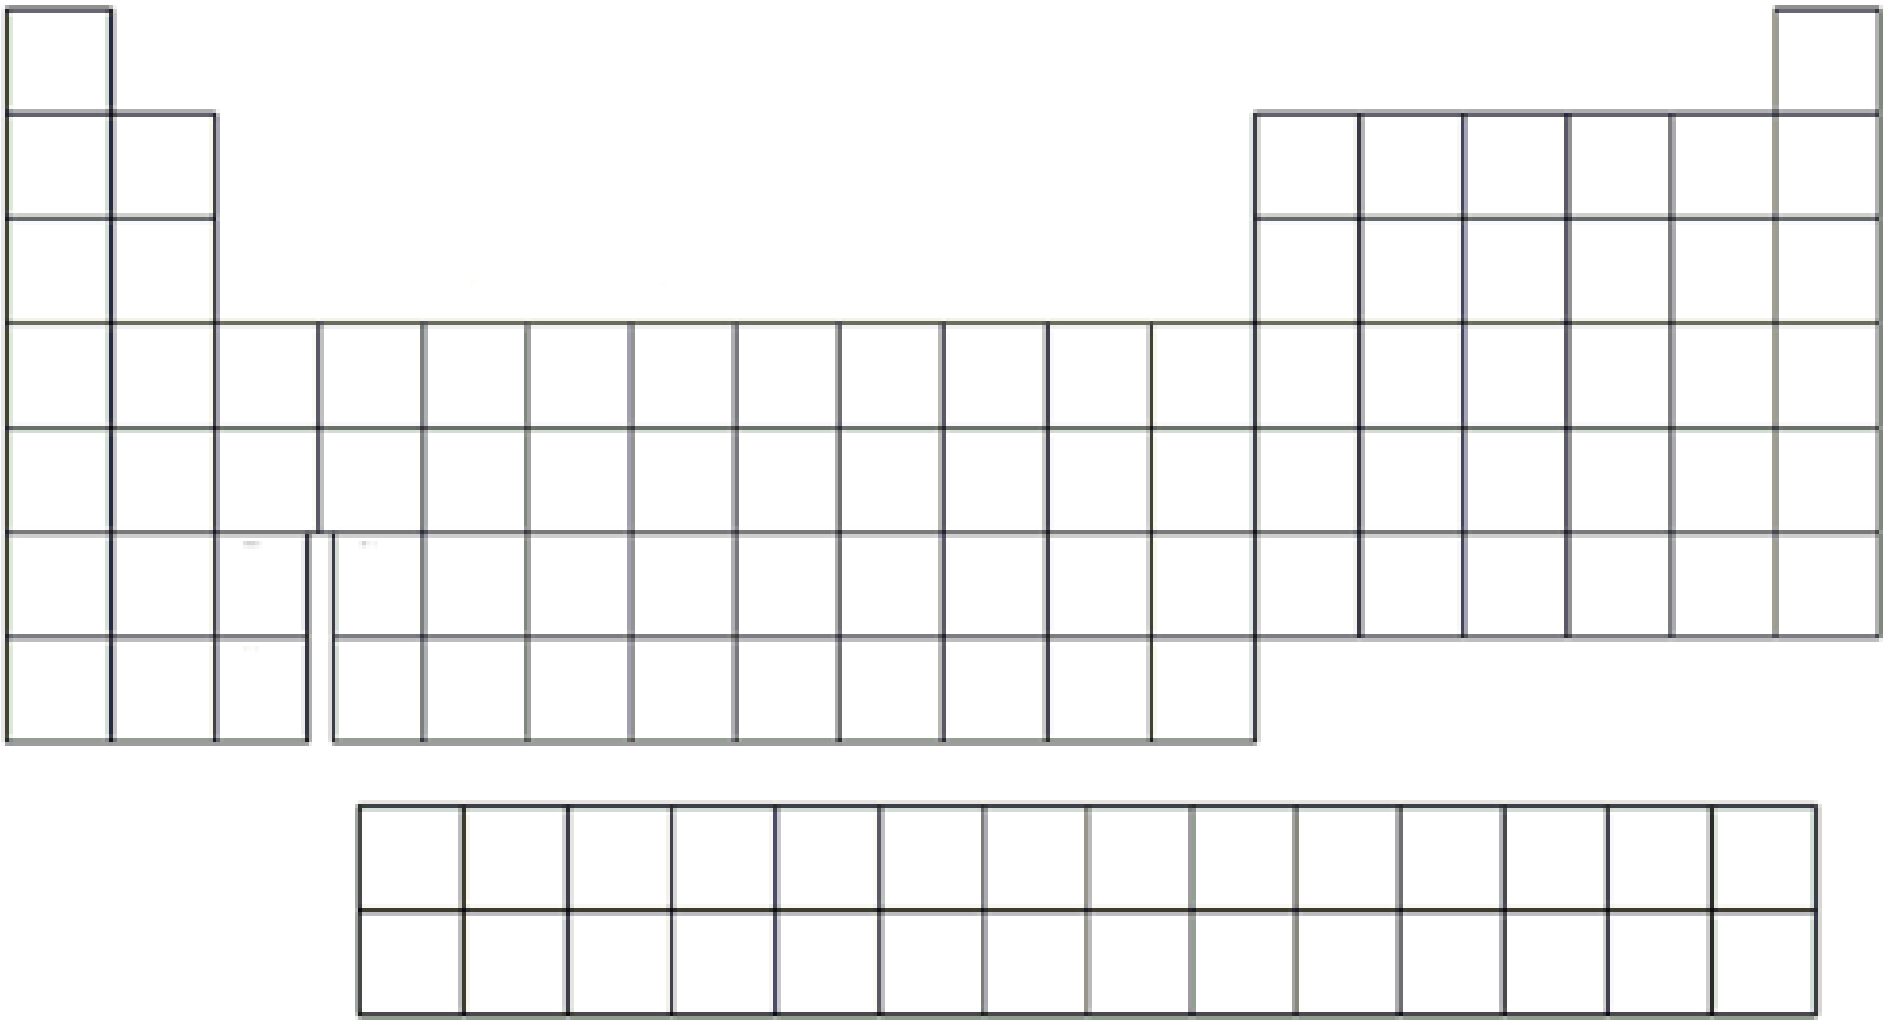
Periodic Table Mind Map

Your task is to create a table of properties of the elements in this table. Use color! You do not need to write any of the symbols of the elements. An example is provided. Use Ch 5 in the Prentice Hall Physical Science Text as your guide. Two tables are provided if you need them.




Illustrate:			
	Alkali Metals	Metals	Period
	Alkaline Earth Metals	Non Metals	Group
	Halogens	Metalloids	
	Noble Gases	Gases
