

STUDENT COUNCIL CARWASH GUIDELINES!

WHERE? Dairy Queen in Prospect

WHEN? Sat May 9th, 11am – 3 pm. Work as many hour-long shifts as you can! Service hours!

BRING: Garden hoses (4 or 5 altogether), a Hose splitter (1 or 2), large bucket, sponges, large towels, carwash soap, signs to hold up out in front that “sell” the carwash, your best smile and attitude :)

WEAR: Shorts, tee-shirts, sandals or boat shoes (bathing suits may be worn *under* shorts and tee-shirts if you like.)

BEHAVE: Naturally. Like St. Francis students. A little “spraying” and fun is OK, but excessive goofiness or horseplay reflects poorly on us and *hurts our chances of earning money for the 8th grade gift!* (Adults won’t trust their cars to a bunch of rowdy yahoos!)

PROCESS: Rinse, lather, repeat. No seriously:

Rinse the car first. Next, soap up a section or side. Rinse off soap before it dries! Repeat until car is shiny! Dry (if owners want.)

HAVE: FUN!!

PARENTS: Please let Reed Gabhart know if you would like to help supervise an hour shift during the carwash. At least one faculty member will be present during each hour slot, but parents are welcome too! Contact me at 228-1197 ext 125, or at Rgabhart@stfrancisschool.org
