We hope our moms had as much fun at **Muffins for Moms** as we did! It is always such a treat when our mothers come into the classrooms and share our day with us! Happy Mother's Day!

And they're off! Rain and a mud track couldn't slow down our **Derby races!** Thank you to everyone—all the grandparents, special friends, and parents—who came to watch our parades and races and then join us for post race treats! Because the buzz around the Kentucky Derby is so much in the air, the children are very aware of

it. Our event lets them actively participate in the festivities of the larger community.

Summer Camp brochures have been mailed! If you have not received one, please contact the office or download it on our website at stfrancisschool.org.
