## Instructions for Four-Year Plan:

On the back of this sheet, you will complete your four-year plan. Use the grid for each year as a guide to selecting classes. Requirements are listed as choices; blank boxes should be filled with electives. Freshman, sophomores and juniors must have a full schedule. Seniors must fill 12 of 16 blocks. Graduation requirements are found in the course book and on our guidance website. You will review and make changes to your plan each year and your parents will be required to sign those plans each year.

**Parents:** Please review your student's academic/career plan and four-year plan. Please sign the course selections for the current year. The student will return this sheet to his/her counselor.
