Math	Math	Science	Science
Elective	Elective	Elective	Elective
Band/Concert Choir	Band/Concert Choir	Band/Concert Choir	Band/Concert Choir

**The above schedule represents a possible plan for students who would like to participate in both band and vocal groups. Since Band and Concert Choir meet during opposite times in A block, students are able to participate in both. This allows students room to complete graduation requirements.**

**Students who would like to participate in both band and vocal and have questions about scheduling classes should make an appointment with one of the counselors.**
