Band	Band	Band	Band

12th Grade

Senior English or Composition I	Senior English or Composition II	Government	PE or Fitness and Conditioning
Math	Math	Science	Science
Elective	Elective	Elective	Elective
Band	Band	Band	Band

The above plan represents the schedule for a student who would like to participate in band for four years. Band meets every day during the 1st half of A block. Students who are in band are able to follow a schedule that meets (and exceeds) all Benton High School graduation requirements. There is also ample room to explore electives and meet college admissions recommendations.

Students who have questions or concerns regarding participating in band and scheduling should make an appointment with one of the counselors.
