

KINDERGARTEN HOMEWORK POLICY

Dear Parents,

We will be assigning homework because we believe it is important that students begin to develop good homework habits in the early grades. Also, homework gives us a way to have students practice what is taught in class.

We will assign homework Monday through Thursday. Homework should take about 15 minutes to complete each night. Please return the homework the next school day in the folder provided. A record is kept of all homework returned on time for each child.

Please have your child use a pencil (not pen or marker) to print his/her name and all letters and numbers. ALL pictures are to be colored (with crayons only) even if the directions do not specify coloring. Please do not use markers.

Reading to your child using the “Read Aloud Program” is to be included as an additional part of each child’s daily homework. Please return each recording sheet at the end of the month.

We encourage parents to praise their child’s work each night. We do believe that parents’ words of support are the single most important way to motivate children to do well in school.

If your child is having difficulty completing the homework, we ask that you take a few moments to review the related skills.

Thank you.

The Kindergarten Teachers
