

Diversity Means...

**Get a head start on the PTA's Reflections Program
& let your summer vacation experiences
inspire you to create original works of art!!**

"Diversity Means..." is the upcoming school years 2011-2012 PTA Reflections Program.

Each student can decide what the theme means to them and how they would like to express it.

They can create an art piece in any of the following categories:

**Choreography/Dance, Film/Video, Literature/Poetry,
Music Composition, Photography and Visual Arts.**

Each student may submit one or two original pieces. For added encouragement the classroom with the most submissions will receive a pizza lunch party. There will also be prizes for the top three scoring submissions and t-shirts for the finalists!
