

Third Grade Newsletter

In the class room...

Math: Multiplication Introduction—
groups of, times, counting by _ , repeated addition and arrays

Science: Layers of the Earth
*Students will be learning about the layers of the earth and will be able to identify the crust, inner core, outer core, and mantel on a diagram of the earth.

Social Studies: Maps, communities and cultures

Reading: "How do you Raise a Raisin"

Vocabulary: area, artificial, grapevine, preservative, proof, raise, raisin

Spelling: Can be found on the back of your newsletter and should be practiced daily.

Tests: Will be given every Friday covering math, story of the week/vocab. and spelling.

DON'T FORGET QUARTERS TO BUY FEATHERS FOR YOUR CLASS TUR-KEY!

There was a mistake on the calendar passed out last week. We **WILL NOT** be going on a field trip next week.

Week 13

11-15-10 to 11-19-10
