

UNIT 1

UNDERSTANDING AND USING THE BIBLE

How To Study

- † Make flash cards of the **words to know**. There are many words for this test, but learning them now will help you when you see them the rest of the year.
- † Practice looking up passages in the Bible. Have someone choose a random book, chapter, and verse, and then look it up. Several questions on the test will ask you to look up passages in the Bible.
- † Practice using the table of contents in the front of your Bible and the word list in the back of your Bible.
- † Make sure that you can answer all of the **key concepts** questions.
- † Take the practice quiz on the web site. Mr. Rickbeil's sweet deal applies to this and all of your tests.
