

Creative Writing The Screenplay

As part of the screenplay unit in Creative Writing we are reading screenplays and then watching the movie. When we are done watching the movie we answer screenplay review questions. (They can be found on my Web site under the classes page.)

Since this movie is rated PG I must obtain parental/guardian approval before the student can watch the film. We will be watching the movie the week of May 13.

Parent or guardians signature and date

Student's first and last name
