The VCS PTSA is proud to offer monetary grants to the clubs at Victor Central School. These grants are to help out with the start of a club, obtaining equipment or other needs that will positively affect a number of students, the community or the overall quality of the club.

Enclosed is our Grants Application. If your club has a need that we may be able to help with please take the time to fill out this application. We are asking that the applications be turned in by November 15, 2009. Please keep in mind that we do have a set budget for this program and may not be able to honor every request, but we will consider every application that we receive. You will be notified of our selections when the process is completed.

If you have any questions, please do not hesitate to contact me at 585-742-2793 or ksmcs@frontiernet.net

Please return completed application to the Victor Central PTSA mailbox (Attn: Grants Committee) in the Main Office. Only applications received by the deadline will be considered at this time.

Sincerely,
