

MARK DeLAY SCHOOL CELEBRATES AMERICAN EDUCATION WEEK

Dear Parents,

The week of November 16th through the 20th is American Education Week. Here at Mark DeLay School, we will be celebrating this week in a special way. We would like to invite parents, grandparents, and other family members to visit the school and share something of themselves with the students by bringing in one of their own favorite children's books or short stories and reading it to all the students in their child's class.

Teachers have set aside times in the mornings and/or in the afternoons during the week for guests to come in and read. If you would like to be a part of this experience, please return the bottom portion of this letter to your child's teacher by Friday, November 6th. You should indicate a morning or afternoon and a day preference only if necessary. If all readers cannot be scheduled that week, we will continue the program throughout the next few weeks. Please join us in celebrating American Education Week!
