

## 2009 – 2010 Nominating Committee

**Ms. Creps, (Teacher), Shannon Kilgariff (Parent) and Laurie Renish (Parent)**

The above nominating committee was selected by the board on February 10, and charged with the following goals.

- Goals: Increase the number of first-time Board members and Committee Chairs**
- Have the leadership be more representative of the school’s diverse community**

During the February 10 Board meeting we had a very good response from our current board members and regular meeting attendees. However, there are still plenty of opportunities for more members to volunteer and help meet the nominating committee’s goal. *Are you ready to lead?*
