

Mu Alpha Theta!

NWCTA's Mathematics Club

We meet every Monday in room 504,
beginning September 7th.

WHAT IS MU ALPHA THETA?

- A national organization for students who excel in or just enjoy mathematics. This is an impressive membership for college applications.

WHAT DO WE DO?

- Competitions!!! Members of the Mu Alpha Theta are the first to be invited to compete in math contests throughout the district. You could win CASH, PRIZES, or SCHOLARSHIPS!
- Games, Calculators, and Numb3rs!!! We play math games, use calculators and watch TV! Come join us for the fun!
- We celebrate special mathematical days and numbers. We'll have special activities on Pi Day or Powers of 10 day.
