

Daffodil Days

January 2008

Dear Parent:

Our school is participating in the American Cancer Society's Daffodil Days to be held in March. Although participation is entirely voluntary, we hope that you will encourage your child to learn the importance of helping others.

This year the American Cancer Society's Daffodil Day's are being held the week of March 10th, with the delivery of flowers to your school on March 10th or 11th. It is our earnest hope that you will place your advance orders for Daffodils by <<insert date>>.

For a donation of \$10.00 you will receive one bunch of 10 blossoms of Daffodils that your child will bring home. For a minimum donation of \$20 a "Gift of Hope" will help further the mission of the American Cancer Society, and will enable the American Cancer Society to anonymously deliver a vase and one bunch of flowers to a cancer patient.

Please make your check payable to **American Cancer Society** and return your check or cash with the order form below. Proceeds from the sale of Daffodils help to support the American Cancer Society's vital programs of Research, Advocacy, Education, and Services to cancer patients and their families.

Thank you in advance for your generous support! Isn't this a lovely way to make a donation, brighten your day, and give your child a chance for a cancer-free world? **"YOU CAN MAKE A DIFFERENCE!"** If you have any questions please call me at **568-6143.**

Sincerely,

Mrs. J.
