Language Institute for Children, Inc.

GIVE YOUR CHILD THE GIFT OF A SECOND LANGUAGE

It is a fact that the younger the children start learning a second language the more they can benefit from it. Don't wait until your child is in High School to give him/her this wonderful resource for his/her future. At the Language Institute we can help!!

The Language Institute was designed for children who want to learn a second language. It is also available for children who are bilingual and want to improve their communication skills and learn to read and write in Spanish, Russian or Polish.

You can register your child over the phone (516-312-4954) or send an e-mail to childrenlanguage@aol.com. Registration for the Fall Semester will start on August 15, 2007, but applications will be accepted at any time before that date. Classes will begin on September 5, 2007.
